Y.R.Public School, Khapar

Education is the fundamental right of every citizen. But in this world many of the citizens are neither bothered about nor avail the education in its real sense. Britishers left India years before, but the significances of english is deeply rooted in indian soil and everywhere in this world. English is a language through which every one can communicate each other easily. For attaining English education in its real meaning, Khapar parents have no other option, than sending their children to Y.R. Public School.

Education is a three tier system in which students, parents and teachers play equal role. The responsibility of the parents do not lost by admitting the ward in a reputed school. Education plays a very significant role. Education without discipline has no value and meaning. So, it is the duty of the parents to see whether the children are studying in a well disciplined institution. For this Y.R. Public School is the sole name in khapar.

As the principal of this requeted institution. I proudly say that Y.R. Public School will never minimise the importance of " Moral character " in educating the children. It is very easy to advice others, but we should always advise and correct ourself. If we are disciplined, educated and morally strong, our children will follow us. So let us take an oath that we will never think of anything which is harmful to the moral ethics of our prevailing society.

Y.R. Public School welcomes you all to have a scholastic atmosphere for your children.

It is our endeavour to nature all around developement of our students with human values. We will believe that values are caught not taught impartans values and pride in our heritage and strong cultural grounding will allows our students to become confident, skilfull and smart youth in the world.

In the true sense of school with international standards, we instill in the minds of the child the plurity of our society and make them imbibe the goodness of every culture and familize them with good civilizations. They will never be aliens to the looming globalization the shriaking world or to the ever wideling technology more over we aim to evaluate every aspects of the child during their presence at the school. This is believed to reduce the pressure on the child during examination as the student have to sit for multiple tests throughout the year. We encourage our students to learn about themselves and constantly changing enviroment while at the same time, offering support and guidance as they practice decision making social skill.

Our school bears the confident that, it is the best place for your child, we welcome your active interest and involvement in the progress and uplift of your child we look forward your whole hearted support and help.
